- History -

Bar Lafayette opened its doors in September 2012, located inside the Old Perth Technical School building. Opening in 1910, the building was designed in the characteristic “blood and bandages” style with red and white stone. Listed on the State Register of Heritage Places on January 9th 1998, the Old Perth Tech has since undergone complete refurbishment.

Bar Lafayette is dedicated to providing our guests with an extraordinary cocktail bar experience with impeccable attention to detail. Our beverage program is based on bygone principles of quality, seasonality and creativity.
