## THE SCOTCH MALT WHISKY SOCIETY

Here at Bar Lafayette, we are the only Partner Bar in Western Australia for the Australian Chapter of the Scotch Malt Whisky Society. Headquartered in Leith, Edinburgh in Scotland, the SMWS bottle primarily Scotch Whisky. Among other things with a code system and a tasting note. The number before the decimal place indicates the distillery. This number is issued in chronological order of what they have bottled under. The second is the cask number they have bottled from that distillery. The bottles listed below are what we are currently stocking but be warned; they are incredibly limited.

## VODKA

Vodka is a white, distilled beverage, generally bottled at 40% ABV. It can be made virtually with any raw material, most commonly grains or potatoes. Its origins are lost somewhere between Russia and Poland, as early as the 1400's.

While easily mixable in modern fruity drinks, it reaches its best in Classic Martini Cocktails.
